

St. Teresa's School
Mission Statement
2007-2008

*The community of St. Teresa's School, in our Lord Jesus Christ,
is dedicated to academic excellence in the Catholic Faith.*

We believe:

- 1. Catholic education is an integral part of the Church's mission to share the gospel message of Jesus and to respect and serve others in our local and global communities.*
- 2. Our faith community, teachers, staff, students, and parents share the responsibility as a family for the support of the school's mission.*
- 3. All students grow spiritually, intellectually, socially, and physically in a safe, nurturing environment rich in Catholic faith and traditions.*
- 4. All students can learn and succeed in an environment that provides exceptional learning experiences, while considering different learning styles and developmental stages.*
- 5. Collaborative attitudes, responsible decision-making, and mutual respect between students, staff and parents foster lifelong learning and personal growth.*
- 6. Dedicated commitment by students, staff and parents to continuous improvement is the catalyst for school excellence.*

My behavior towards others will reflect the Gospel values that I am being taught as a student at St. Teresa's School and is a requirement of my attendance at this school:

1. I will not interfere with the learning of others.
2. I will not harm others either physically or emotionally.
4. I will not interfere with other student's possessions.
5. I will care for my school and its environment.
6. I will follow school policies and procedures
