To meet these objectives we have committed time, effort, love, and financial Resources. We will rely on your commitment to participate in your child's educational experience and on your commitment to pay fees and tuition as agreed. We will endeavor to work with you if something unforeseen should arise that may cause delays in meeting your obligations. However, if you do not meet your obligations and do not attempt to reach a reasonable solution, we reserve the right to pursue other collection efforts. If it becomes necessary to involve attorneys or the courts then, in addition to seeking to recover all fees, tuition and costs, we will seek to recover all costs of collection including, but not limited to, reasonable attorney fees, court costs and other litigation expenses.
